Please Note

Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; so please arrange for this work to be undertaken by your own tradesman prior to any installation dates (approx. clearance height 20mm -22mm)

First floor landing – It was noted during our site survey that the floorboards on the first floor are a little uneven & although the underlay will make a slight difference to the existing level, we would advise that this area would benefit if covered with 3mm hardboard or similar prior to installation of new carpet.

Payment terms

50% Deposit payable with order & balance due 48 Hours before 1st day of installation (or 1 month after order placed if the fitting is delayed at customer's request).

Order subject to terms & conditions printed overleaf.
