Customers notes.

1. **Furniture Moving** – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.
2. In normal use the bar at the kitchen should be able to be re used. We will inspect the underlay and only replace if it is excessively worn
3. A seam is required in the hall to minimise waste. There will be waste aprox 2m x 2m left.

I trust this estimate meets with your approval and it is guaranteed for a period of 21 days from the above date. Thereafter it may be subject to change without notification if a manufacturer's price increase prevails. If there are any further points you may wish to discuss or alternative options you may require a cost for please do not hesitate to contact me.

Assuring you of our best attention at all times.

Yours Sincerely
