1. I have allowed to replace the underlay to the stairs only. The existing wear will have affected the underlay and if not replaced could result in premature wear to the new carpet.

Thereafter it may be subject to change without notification if a manufacturer's price increase prevails. If there are any further points you may wish to discuss or alternative options you may require a cost for please do not hesitate to contact me.

Assuring you of our best attention at all times.

Yours Sincerely
