Please Note

Under Floor Heating – If you have underfloor heating, please make this known to us straight away as this will have an impact on the type of underlay required. These situations must be made known to us to avoid any additional costs due to delayed fittings.

Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

Payment terms

50% Deposit with order & balance payment due 48 hours before 1st day of installation (Or 1 month after order placed if the fitting is delayed at customer's request).
