**Please Note**

**Door trimming** – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

**Furniture Moving** – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

**Key Hole Mat** – Where a working desk is to be placed, we recommend using a key hole mat beneath any chair to prevent premature wear & tear to the carpet. This is not something Mr Carpet can supply.

**Plaster Skirtings** – As plaster skirtings boards are more delicate than wood skirting boards please note that some minor damage can occur during the carpet laying procedure. Every effort will be made to minimise any damage, however we cannot accept any liability for cost of repairs should it prove necessary.
