Door Trimming - The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.

Furniture Moving - The provision to move furniture covers the moving of items which are physically too big to be removed from the area by the customer. Any wardrobes, chests of drawers, dressers, filing cabinets & any other storage items should be emptied to make them as light as possible for the fitter's to move. Small items, personal belongings, delicate items, clothes & bedding should also be removed from the areas before the fitter's arrival.

Seaming - Due to the available width of the selected carpet, the size of the Lounge & the pile direction, it will be necessary to seam the carpet to the side of the room as discussed. Please note that seams **are not** invisible but the pile will blend over a period of time - *please contact the showroom if you wish to discuss the exact location of these seams.*
