4 Bedrooms, Dressing Room, Study, Playroom, Playroom Annexe, Stairs & Landings

To supply Zambia 100% Wool carpeting, 5 metre wide, Colour: ZAM-118, Homemaker Luxury 10mm PU foam underlay & Paperfelt to be laid beneath, Fitting to same by gripperods installation, Supply & fit Premium polished chrome doorbars at doorways to carpeted areas, Run carpet up existing ramps & butt to tiles in all Bathrooms as per existing arrangement, Areas to remain clear of furniture at time of installation, Uplift & disposal of the existing materials is not included as we understand this will be done by others beforehand.

Please Note

Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; so please arrange for this work to be undertaken by your own tradesman prior to any installation dates.

Furniture – It is understood that the property will be clear of furniture at the time of installation, if this will not be the case please let us know as soon as possible.

Access – Due to the sheer size of some of the rooms please note that there is a possibility of the carpet touching the walls, & therefore marking them, while being transported up through the property. The fitters will take utmost care in moving the materials around but please bear this point in mind as it may be necessary for these marks to be touched up after the carpets installation. Please note that Mr Carpet can not accept costs for any remedial decorative works.

Decorating – Please ensure that this is completed in good time prior to the carpets installation to allow the paint to harden off as necessary. Please also note, during the process of installing the carpet there is a possibility that cracks may appear in the paint on the staircase in the joints between the horizontal tread & the vertical riser as well as at the stringer (skirting that runs up the side of the staircase). This is simply due to the staircase being of timber construction & having slight movement in it when the fitter bolsters the carpet in with a necessary amount of force to ensure it remains secure.
