Door trimming – The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.

Furniture Moving – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Access – Please note that due to the size of the Top Floor Bedroom & the required piece of carpet for the space there is a possibility of the carpet marking the walls while being transported up through the property. The fitters will take utmost care in moving the materials around but please bear this point in mind as it may be necessary for these marks to be touched up after the carpets installation. Please note that Mr Carpet can not accept costs for any remedial decorative works.

Paintwork – Please be aware that in order to install the stair runner correctly gripperods will be pinned to the treads & risers and the carpet will be bolstered into them to ensure a secure fit. Both of these essential procedures will cause vibrations and this may cause some unavoidable peripheral cracking / damage to the painted stairs. This is unavoidable and we cannot be held responsible for any redecoration works that are required as a result of the installation.
