Please Note

Door trimming - The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.

Furniture Moving - It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Pile Direction - The quotation is quantified as economically as possible. If the chosen carpet has a distinct pile direction, please get in touch to discuss if you have any specific requirements the pile direction is ran.

Runners - If you are having your stairs freshly painted in preparation for the runner, please bare in mind (**with the quite forceful method required to install a runner**) there is the potential for hairline cracks in the paint, or in the worst case scenario (**if your stair case structure is weak**) cracks and splits in the stair case themselves. This is not something Mr Carpet LTD can be held responsible for and you will need to arrange any remedial work required to finish the job if need be.

Seaming Doorways - Please note that seams **are not** invisible but will blend in & become more subtle over time - *Should you have any further queries on this please contact the showroom.*
