Stairs to be fitted as 62cm wide runners with edges whipped in matching yarn,
1.30 x 1.90m rug to be made up with taped edge, colour: CK99,
Areas to be clear of furniture at time of installation,
Uplift & disposal of existing materials to be done prior to our arrival.

Please Note

Door trimming – The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.

Furniture Moving – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Runners – If you are having your stairs freshly painted in preparation for the runner, please bear in mind (with the quite forceful method required to install a runner) there is the potential for hairline cracks in the paint, or in the worst case scenario (if your stair case structure is weak) cracks & splits in the stair cases themselves. This is not something Mr Carpet can be held responsible for & you will need to arrange any remedial work required to finish the job if need be.
