Supply & fit Polished Aluminium doorbars at doorways,

Existing wooden threshold to remain at 1st Floor Bathroom doorway,

All Stairs to be fitted full width,

Uplift & dispose of existing carpet & underlay.

Please Note**Door trimming** – The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.**Built-In Wardrobes** – These are built in on 4th Floor & 3rd Floor Landings in the Tower, it is assumed these will stay in place & the carpet will be fitted up to & around these as necessary.**Old School Radiators** – These should be unplumbed & removed from the areas to be carpeted prior to our arrival & re-plumbed in after installation to ensure the neatest possible finish. If this is not completed we will have to cut around the feet of the radiators which can look unsightly.**Pile Grinning** – Due to the thickness of the selected carpet & the arrangement of the staircase we must advise that the pile of the carpet will likely open up on any turned areas (i.e. up to banister spindles & on corners of winding steps) which will result in the backing of the carpet showing through. Fortunately the colour of the pile is very similar to the colour of the backing so this should not be hugely obvious but is something we must make you aware of.**Parking Permit** – Due to the parking restrictions around the property we do ask if you can kindly provide a parking permit for the fitter for the duration of the installation. Alternatively, if there is a parking space available on the premises that can accommodate a long wheelbase van please do let us know.**Please refer to Quotation for additional notes.****Fitting Dates**Friday 2nd December 2022 & Sunday 4th December 2022 (to finish, if required)**£4,632.50 Deposit paid by Credit/Debit Card on 04/11/22****£4,632.50 Balance payable at least 48 hours prior to the 1st day of installation (or 1 month after order placed if the fitting is delayed at customer's request)**
