3 x standard doorbars (**Silver**),

Move furniture as necessary (**customer to move small items & personal belongings, any storage furniture must be emptied prior to our visit**),

### Please Note

**Door trimming** – The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.

**Skirting Boards** – Through the process of fitting a new carpet, a necessary level of force is required to ensure the carpet itself is securely fixed between the gripperod & skirting board. Please note that if a skirting board is not properly attached to the wall this may result in it pushing in at the base & coming away from the wall at the top. This is not a consequence of poor installation from our fitter therefore this is not something Mr Carpet London LTD can be held responsible for and you will need to arrange any remedial work required to finish the job if need be.

**Access** – Due to the size of the piece of carpet required to cover the Open Plan Lounge Area, please note that there is a possibility of the carpet marking the walls while being transported through the property. The fitters will take utmost care in moving the materials around but please bear this point in mind as it may be necessary for these marks to be touched up after the carpet's installation. Please note that Mr Carpet cannot accept costs for any remedial decorative works.

**Please refer to Quotation for any additional notes.**
