Uplift & dispose of existing carpets & underlay.

Please Note**Door trimming** – The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.**Furniture Moving** – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.**Access** – The winding nature of the stairs will mean that there is a possibility of the carpet marking the walls while being transported up through the property. The fitters will take utmost care in moving the materials around but please bear this point in mind as it may be necessary for these marks to be touched up after the carpets installation. Please note that Mr Carpet can not accept costs for any remedial decorative works.**Paintwork** – In order to install the stair runners on the stairs we have to pin gripperods to the treads & risers & then bolster the carpet into the gap created to ensure a secure fit. Both of these essential procedures will cause vibrations to the stair case which may cause some peripheral cracking / damage to the painted stair edges. Unfortunately, this is unavoidable & we cannot be held responsible for any redecoration works that are required as a result of the stair runner installation.**Fitting Dates**Thursday 16th March 2023 & Friday 17th March 2023**£7,506.00 Deposit paid by Card on 19/12/22****£5,994.00 Balance payment due 48 hours before 1st day of installation or 1 month after order placed if the installation is delayed at the customer's request.**
