Please Note

Door trimming – The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.

Furniture Moving – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Seaming – Due to the size of the area it will be necessary to seam the carpet to a small recess in the Loft Bedroom. Please note that seams **are not** invisible but the pile will blend over a period of time – *please contact the showroom if you wish to discuss the exact location of these seams.*

Painted/Wallpapered Walls – Mr Carpet LTD cannot be held responsible for any remedial works for scuffs/damage from transporting materials into & around the home. Quite often, large pieces of carpet are required to be moved up narrow hallways & staircases which make it impossible to guarantee the carpet will not come into contact with a wall at least once, same can be said regarding unrolling carpets out inside a room, as carpets need to be bigger than the space they will be installed to so contact is also highly possible.
