Heavy duty rubber underlay to be laid beneath
Supply and fit new gripper rods throughout

Please Note

Door trimming – The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.

Runners – If you are having your stairs freshly painted in preparation for the runner, please bear in mind (with the quite forceful method required to install a runner) there is the potential for hairline cracks in the paint, or in the worst case scenario (if your stair case structure is weak) cracks & splits in the stair case themselves. This is not something Mr Carpet can be held responsible for & you will need to arrange any remedial work required to finish the job if need be.
