New gripper rods,

Move furniture as necessary (**customer to move small items & personal belongings, any storage furniture must be emptied prior to our visit**),

Uplift & disposal of exiting materials to be done prior to our arrival

PLEASE NOTE: there is a high possibility the doors that divide the front and back room could require trimming due to the minimal space between the door and the floor board. This is something that is advised to be done before hand as it's not a service we provide. The carpet is 9mm thick and the underlay is 10mm thick. We also need to install gold trims up to the door locks at the doors

Please Note

Door trimming – The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.
