Please Note

Customer's own measurements – please note that this order is based on both dimensions & area information provided by the customer (i.e. sub-floor type, uplift requirements, access, etc), as such it is the responsibility of the customer to ensure these elements are absolutely correct. Should any issues arise from incorrect measurements or missed information, Mr Carpet will not cover any costs that may be incurred to remedy the issue, these costs will therefore be added to the total order value & payable by the customer.

Furniture Moving – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer & home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Painted/Wallpapered Walls – We cannot be held responsible for any remedial works for scuffs/damage from transporting materials into & around the home. Quite often, large pieces of carpet are required to be moved up narrow hallways & staircases which make it impossible to guarantee the carpet will not come into contact with a wall at least once, same can be said regarding unrolling carpets out inside a room, as carpets need to be bigger than the space they will be installed to so contact is also highly possible. Nevertheless, rest assured the fitter will of course be as careful as possible.

Door trimming – The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.
