OPTIONS

Please note we will do the best job possible around the air-con units and trunking , as discussed the floor around the trunking needs to be level with the rest of the floor and holes all filled prior to our arrival .
Please note the bottom step will be fitted under the nosing due to the position of the air vent also as discussed the flooring in the bathroom extends on to the landing further than it should , we will fit up to the tile in its current position .

Please Note

Door trimming – The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation.

Fitting Date
