Under stairs cupboard and bullnose

To supply & fit **Design Options** vinyl colour ; **DO/17** to under stairs cupboard , fitted on to existing subfloor , the mystery wire will sit on top of the new vinyl , lastly the vinyl is 2mts wide so may fall just short but it will be on the far left so not visible , we will fit round the pipes and wires as best as we can .

To re-fit bullnose using carpet supplied by you, please ensure the carpet is laid flat and warm, this will help the fitter as the backing of a carpet can become stiff when stored away for long periods, we will do the best job possible.
