Prepared For Nick & Sarah Sherwin

4 Issues Identified

CABLES!

Assigned To Nick & Sarah Sherwin

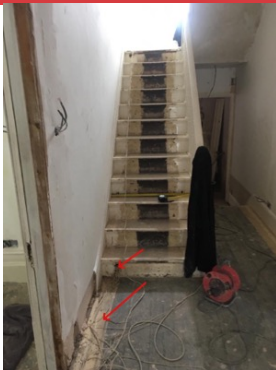

As discussed during our site survey any cables / telephone or alarm wires will require re-routing by your own tradesman to facilitate installation of carpet stair runner

CABLES!

Assigned To Nick & Sarah Sherwin

As previous

CABLES & HOLE IN STAIR RISER

Assigned To Nick & Sarah Sherwin

As discussed with Nick during our site survey these cables would ideally need to be removed or at least re-routed and the hole filled and made good prior to carpet installation

CUSTOMERS OWN BRASS STAIR RODS

Assigned To Nick & Sarah Sherwin

It is understood that your own stair rods & cradles/ hinged eyes would be cleaned up and polished and be ready and available for the carpet fitter on the day of installation
