

Ticket Updates

Attached are some A5 tombola and A6 Tickets.

These are to update the Telenzo ranges as listed below. They are for

Tombola 1
Tombola 4
Tombola 6

Enclosed is a REPLACEMENT heather twist sale ticket as the previous ticket was incorrectly priced.

You also have some Mr Carpet black header tickets with the revised prices but standard discount & some Sale tickets with the additional sale discounts.

Can you please remove all old tickets for these ranges and replace the Mr Carpet headers with the sale tickets on top.

You may have tickets you don't need for your branch but I have to print 4up so I have sent them over anyway. If you don't need them please dispose of them..

Can you check your displays for the ranges below and if you do not have up to date MRC tickets and or Sale tickets please email me with what you need.

Thanks DG

Please note the NOW price is the full ticket price for these products
