

A close-up photograph of a dark grey, textured fabric, possibly a sweater or knitwear. A white, rectangular label is pinned to the fabric with a silver pin. The label has the alphanumeric code "HB3235" printed in a large, bold, serif font. A bright blue circular sticker is attached to the top-left corner of the label. To the right of the label, a vertical seam or fold in the fabric is visible, showing a different texture and a slight shadow.
