What is Open Spaces Laneve?

Ulster Carpets, working in partnership with Wools of New Zealand, have developed three 100% New Zealand wool tufted (loop pile), Laneve ranges, Auckland, Queenstown and Wellington Stripe.

Manufactured in Denmark by danfloor (an Ulster Group Company specialising in the manufacture of tufted products), the Open Spaces Auckland, Queenstown and Wellington Stripe ranges utilise a dense loop pile texture to create a contemporary floor covering that is also soft and warm.

Why Choose Laneve?

In choosing any of these Wools of New Zealand Laneve products the consumer is purchasing a luxurious 100% wool carpet, traceable back to individual farmers (via Wools of New Zealand fully integrated supply chain) who must meet a comprehensive range of environmental, social responsibility and animal welfare standards.
