

Christmas Closing 2020

I have been looking at the days that Christmas falls this year and working out when we will be closed to allow for the 5 days holiday over the Christmas period. I am proposing the following days for our branch closure in December.

The dates are based on the shops still remaining closed on Mondays and Monday is taken as your day off in the weeks over Christmas. If you are covering the shop on a Monday then you will still take your alternative day off the week before Christmas or the 1st week in January

**Last day for Showrooms to be open is Tuesday 22nd December 2020
Re open Tuesday 5th January 2021**

**Last day for warehouse to be open is Wednesday 23rd December
Re open Tuesday 5th January 2021**

Wednesday 23rd December - day 1 holiday
Thursday 24th December - day 2 holiday
Friday 25th Christmas Day – Bank holiday
Saturday 26th Boxing Day – day 3 holiday
Sunday 27th December –
Monday 28th December – (Bank holiday Boxing Day in Lieu)
Tuesday 29th December - day 4 holiday
Wednesday 30th December – day 5 holiday
Thursday 31st December – day 6 holiday
Friday 1st January – Bank Holiday
Saturday 2nd January (Day off in lieu of 28th as this is Bank Holiday)
Sunday 3rd January
Monday 4th January (Shop closed as day off w/c 4th Jan)

I make this actually 6 days holiday (unless corrected) but with this year as its been I am sure you will all appreciate the extra time with your family (max 6 people)

I will also be offering the 10% discount for fitting in January 2021 for orders placed in 2020.

The usual provisos though.

- Orders must be placed **BEFORE 4pm Tuesday 21st December 2020**
- **NO FITTING DATES TO BE RESERVED IN 2020 OR DISCOUNT NOT VALID**
- Fitting **MUST** be **completed before Friday 29th January 2021**

If one or more of the above terms are not met then the 10% discount is not allowed.
