

Victoria Carpets Colonial Loop Range

Victoria's are discontinuing their colonial range and I purchased 12 rolls of clearance when I was in Kidderminster last week.

I have purchased some in 4m & some in 5m totaling 1642m² and attached is the actual stock list of what I have bought and when it will be delivered. You will see that all rolls of the same colour regardless of design were made from the same batch of yarn and the 4m & 5m also match.

The special order price was £33.50 but the clearance price is £22.00m² a saving of 34% or £11.50m².

The stock will be sold on a first come first serve basis and I will be monitoring reserves closely. For me to call any of the July rolls in early I will require an order for at least 50% of the length of the roll being called in early. If less than 50% of the roll is ordered the customer will have to wait for a July fitting date after the rolls arrive.

I have a single small finger swatch of the stock colours & designs that I will send to the branches next week as I had 2 swatches before the rolls arrive.

I WILL HAVE NO MORE SAMPLE MATERIALS UNTIL AFTER THE INITIAL STOCK ARRIVES BUT YOU COULD ORDER SAMPLES DIRECT FROM VICTORIAS AND AS THEIR LIST PRICE FOR CUTS IS £20.89 + VAT I DON'T FEEL THE BRAND NAME BEING ON THE SAMPLES IS A PROBLEM.

More samples will be with you as soon as possible after the arrival of the stock rolls.
