Training Courses

Karndean's training courses are industry recognised programs that teach invaluable fitting techniques.

The three day courses incorporate both theory and practical training for fitters of all levels. Our Basic Level Training Courses and Advanced Level Training Courses run throughout the year, predominantly focusing on designflooring techniques, sub-floor preparation, adhesives and floor planning.

Basic Level Training Course £395*

Advanced Level Training Course £395*

* If bought together the cost will be £650.

This offer is subject to terms and conditions, which are available upon request.
