Dear Customer,

I trust this letter finds you and your family safe and well in these difficult and unusual times.

As I am sure you are already aware, industries globally are encountering an ongoing shortage of raw materials with the flooring industry being no exception. Shortages are continually driving the raw material prices up to their highest ever levels and there is no sign of them plateauing out. We are receiving these unprecedented increases through our entire supply chain and it encompasses all components of our products from the yarn to the backings and even the latex in between. In addition to the raw material increases we have also seen a significant increase in transportation costs from the start of this year.

Unfortunately, as a business we are no longer able to absorb these growing costs and need to implement a price increase across our business.

A copy of the new price list effective 1<sup>st</sup> May 2021 is enclosed for your information and your Area Sales Manager will be in touch with you to discuss any net cut or roll prices.

On behalf of everyone at Associated Weavers I would like to thank you for your continued support, and hope the 12<sup>th</sup> April brings a swift return to business and the start of life returning to better times.

Yours sincerely

**Gavin Pugh**
