## Delivery

**United Kingdom:** Standard delivery to a registered business address is free. Standard delivery in the UK is 7 working days after the date of despatch. No delivery dates are guaranteed. No deliveries to residential addresses. **All cuts less than 2.50 linear meters will attract an additional delivery charge of £40 per cut.**

**Channel Islands:** All deliveries to the Channel Islands incur a surcharge.

Cuts < 17 linear metres (irrespective of width) + £40 per cut

Cuts > 17 linear metres (irrespective of width) + £60 per cut

## Important carpet care information

Prevention is better than cure; we strongly recommend most of our floorcoverings should be treated with **Stain Inhibition Treatment**.

Not applicable for EasyCare, EasyClean or ReVive ranges. Please see separate pdf on our website for full details.

## Moth protection

All our wool carpets are moth treated and resistant to moths. All our plant fibre floor coverings and synthetic rich yarns are naturally moth proof.

## Condensed trading terms & conditions

All cuts should be inspected before being cut or installed. Any alleged defects will not be accepted once cut. All widths ± 2% tolerance. Bowing allowance of 1cm per 1m across width (i.e. 4cm on 4m width, 5cm on 5m width). All orders should be emailed to [sales@fibreflooring.com](mailto:sales@fibreflooring.com). PLEASE NOTE - orders are cut net to given length. Roll price only applies to full rolls (@ 30 linear metres). An additional charge of £50 per cut applies should full roll orders need to be cut. The title in these goods remains with Fibre Trading Ltd until paid for in full. Please refer to our care, maintenance & installation guides along with our full terms & conditions that can be found on our website. . We offer a free sample service, samples are despatched daily, please email: [samples@fibreflooring.com](mailto:samples@fibreflooring.com) or order through our website.

## How to calculate the cost of your bespoke rug

You can visit the **‘Rug Calculator’** on our website [www.fibreflooring.com](http://www.fibreflooring.com). Click on the individual product and the rug calculator is on a tab to the right of the image. This will give you the RRP, which is double your trade price +VAT. A quick way to work out the trade price of a rug: **Net Trade Price = RRP ÷ 2.4**

**Step 1:** Cost of flooring: multiply the length by the width i.e. how many square metres. Multiply this figure by the cut length price of the flooring.

**Step 2:** Cost of binding: calculate how many linear metres you need by adding up all four sides of the rug together to get the perimeter i.e. **A+B+C+D** = perimeter. Multiply this figure by the cost of the binding.

**Step 3:** Add the cost of the flooring to the cost of the binding. **N.B. if the rug is less than 2m wide please add a 25% surcharge to this figure.**

**Step 4:** Remember to include any extras; Intec or rug underlay & add VAT.

## Important information to note

All our flooring is directional and is shown on the website with the vertical axis showing the length and the horizontal axis the width. All orders must be in the form of **LENGTH x WIDTH** in metric. (↑L x →W). Our lead time is 4-6 weeks.

**All rug orders to be placed in writing and sent to [rugs@fibreflooring.com](mailto:rugs@fibreflooring.com). We will only process orders which are in metric and that have written acceptance of our quote.**

## Surcharges & restrictions

For **rugs less than 2m wide please add a 25% surcharge.**

For **rugs less than 1m, over 5m in length** or an **unusual shape** (e.g. internal mitred corners) please contact Head Office for a quote.

**N.B. All stair runners to be quoted separately – please contact [rugs@fibreflooring.com](mailto:rugs@fibreflooring.com) for a quote.**
