

wood flooring & ACCESSORIES

PRICELIST

Autumn 2016

Summer Sizzler Offer
20% off all accessories with every order of wood or laminate

Natural Solutions

Natural Solutions by Furlong Flooring is our collection of stylish, high quality, real hardwood flooring. Consisting of ten ranges, they offer a variety of colours, styles and finishes.

Using natural oils and lacquers enhance the appearance and give subtle variations in sheen and hue. Whilst UV varnishes add strength and protection to help prevent damage from sunlight and everyday wear.

Primarily made from oak, these ranges can be used across a variety of installations and all wood used is managed and traceable to comply with sustainable forestry management regulations.

Accessories that complement our ranges

Natural Solutions offer a full range of accessories including hardwood trims, stairnosings, bases, scotia and pipe covers. All accessories are designed to complement the colours of our wood products. **Summer Sizzler Offer! 20% off all accessories when purchased with an order for Wood or Laminate flooring.**

Aftercare

Our WOCA maintenance kits are available for all lacquered, UV oiled and white oiled floors. Preserve the look and integrity of your wood floor for many years to come.

Contact our wood specialists for more information or for a copy of our wood brochure:

COMPLEMENTARY ACCESSORIES

Furlong Flooring offer complementary accessories for every wood item available.

Pre-finished hardwood profiles can be used in a vast array of applications. The various profiles can be adjusted and adapted in height to provide a neat and smooth transition from one surface to another. Whether the floors meet at the same level or different, there is always a profile to provide a solution.

Profiles

Furlong Flooring pre-finished profiles are ideal for use with carpet, laminate, engineered and solid wood flooring types. Providing a natural solid wood finish with no visible fixings. Base tracks of different heights are supplied with each profile.

Finish bands indicate differences in depth of the stain and the price. The profiles to the left can be purchased individually or in tubes at discounted prices. To ensure accurate ordering please quote the code and height of the item required. e.g. WT18 Wood Twin 15- 18mm height

Please see over for actual item prices by stain and band.

Nosing (Special Order Item)

Pre-finished hardwood nosing profiles are ideal for use with engineered and solid wood flooring types. Providing a natural solid wood finish on stair cases.

Designed to either lip over the edge of flooring to allow expansion (EX Profile), butt up flush (Standard Profile) or interlock with the tongue on the floor board (Tongue & Groove) leaving a smooth transition from flooring to nosing.

Standard:
Butt Up Flush (FWN5)

Ex Profile:
Lip Overlap (FWN5 EX)

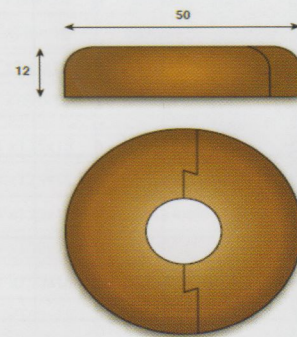

T&G Profile:
Tongue & Groove (T+G)

Complementary Pipe Covers

Furlong Flooring pre-finished hardwood pipe covers are ideal for use with engineered and solid wood flooring types. Provides a natural solid wood finish around areas where pipes are required to run through floors.

Covers holes or gaps up to approximately 48mm. Pipe Covers are a two part jigsaw system, laser cut from one piece. When the two pieces are together, the seam is virtually invisible.

** Please note; Pipe covers are available in pairs only.

**Summer
Sizzler Offer**

20% off all
accessories with
every order of wood
or laminate

Stain Bottles

Furlong Flooring now offer 100ml stain bottles which match every colour of our accessories.
