Dear Valued Customer,

Re: Price Adjustments

I am writing to confirm that your prices will be adjusted on the 1st May 2023.

We have unfortunately had price increases on our raw materials, along with an increase in transport costs, which will be reflected in the adjustments.

The price adjustment will take place from the 1st May 2023. You will be receiving a net price list.

If you would like a copy of your price list before the 1st May 2023, please contact your area manager, who will be more than happy to help you update your records.

After the 1st May 2023, the office staff will be able to post you a copy, once the system has been updated.

Thank you for your understanding and continued support.

Yours sincerely,

Charlotte Jarvis
Sales Director
