

Mastercraft Rugs Ltd

importers and distributors of european and oriental carpets

26th August 2016

Dear Customer,

Please find enclosed the new Mastercraft Rugs pricelist which comes into effect 1st October 2016.

The reason for the new prices is the devaluation of the pound against the euro and dollar following the decision to leave the European Union.

Where possible we have kept prices the same or kept increases to a minimum.

You should have a leaflet of all the ranges on the pricelist marked "2016" in the top right hand corner. If you are missing any please contact the sales office or your agent and we will be happy to help.

Thank you for your continued support.
