**Re: Mayfield Price Increase 2021**

Dear Valued Customer,

You will recall that I wrote to you at the beginning of this year with our planned price increase for both our Penthouse and Mayfield brands.

Our suppliers, early on in negotiations, had intimated a limited change in cost; with our earlier price increase, we were able to absorb this. However, with continuing changes in the petrochemical market, purchase prices, inevitably, have risen beyond what was predicted. It is therefore, with regret that we must increase our manmade, Mayfield branded products by 10% from the 1st of September 2021. Please find enclosed our revised Mayfield price list.

For our valued customers in Northern Ireland and the Republic of Ireland, duty and carriage charges remain the same.

**Please note, this increase does not affect our Penthouse branded products.**

Thank you for your continued support, and I look forward to growing our mutual businesses together. Should you have any queries, or would like to discuss things further, please do not hesitate to contact me on 01706 341 231.
