

Terms & Conditions

Terms of Payment

Payment is due on the 20th day of the month following the month of invoice. A cash discount of 2½% on the net purchase price (exclusive of VAT) is allowed if payment is received before the 20th.

Value Added Tax

All prices quoted are exclusive of VAT which will be charged at the rate in force on the date of invoice.

Retention of Title

All goods are at the risk of the customer as soon as they are delivered or collected. Title to the goods shall remain vested in Penthouse Carpets Ltd. until payment in full has been received.

Carriage

All prices quoted include the cost of carriage within Great Britain by road carrier. Any official arrangements made at the customer's request will be charged extra.

Rolls

Roll price applies on orders for carpet in the same colour, quality, and width of 85 square metres and above. Full roll quantities supplied as cut lengths will incur a cutting charge.

Samples

A full range of samples is available, please contact your representative.

Goods Lost in Transit

Non delivery must be notified in writing if not received within 14 days from date of despatch otherwise liability cannot be accepted.

Goods Damaged in Transit

Carriers notes should be marked "Received Damaged". The CARRIERS and OURSELVES must be notified in writing within the next three days.

Checking Before Cutting

All carpets should be checked for faults, colour, colour match and size before cutting. No free replacement can be made after the carpet is laid.

Complaints and Returns

All carpets are checked before despatch. In the event of complaint this must be notified in writing and authority obtained from customer services for any returns. Goods must be in perfect condition or they will only be credited at scrap value. All carpets returned must be wrapped and cored prior to collection and must be in no way defaced. Please do not write on the backing.

Cancellations

Cancellations cannot be accepted once the carpet is cut. We may at our discretion accept returns of perfect, uncut carpet, subject to a handling charge of £50 per cut, and £60 per roll. Minimum returnable length is 4m (linear). Carpets cannot be returned after 28 days from date invoiced.

Sizes

Whilst every effort is made to manufacture the correct size, slight variations are unavoidable. An allowance of 1.25cm per metre should be allowed for when ordering.

Maintenance of Carpets

We recommend the regular use of an upright vacuum cleaner, with beater bar, for cut pile twist carpets. For loop pile carpets, we recommend the use of a "suction only" vacuum cleaner.

Pile Reversal/Shading

Pile reversal/shading are not considered to be manufacturing faults. We use Independent Inspectors who provide unbiased professional reports, upon which we base settlement. Please note, if a second opinion is required, this will be at your own cost.
