Trading Terms and Conditions

1. PRICELISTS

This Price List is intended for the Trade and issued to regular carpet dealers (to whom alone goods are supplied) with the request that it should not fall into other hands. The List is revised regularly and all lists previous to this List are cancelled.

2. PLACING OF ORDER

Nothing in this Price List shall be deemed an offer, and we reserve the right to accept or refuse any order. Placing of an order implies acceptance of these trading terms and conditions.

3. PRICES

Prices quoted in this Price List are for cut lengths unless otherwise stated. They are given as a guide only, but will be maintained for as long as possible. We cannot be held responsible for printers' error in price details. Goods will be charged at the price ruling at date of dispatch, except for bonafide orders accepted by us at a fixed price when they were placed.

Value Added Tax is excluded from prices in this List, and will be charged at the applicable rate on date of invoicing.

4. TERMS OF PAYMENT

For accounts opened with us, payment of invoices is due by the 20th of the month following the invoice date and is subject to 2.5% cash discount on the net value of the goods (exclusive of VAT) if paid by the due date. A 5% cash discount on the net value of the goods (exclusive of VAT) may be taken for settlement in full within seven days of invoicing date. We reserve the right to charge interest at the rate of up to 2.5% per month on amounts remaining unpaid after 30 days from due date.

5. WAREHOUSING

Unless otherwise agreed in writing, we reserve the right to charge 1.5% per month for each month or part thereof for goods already cut or specially ordered which are not taken up within 30 days of being ready for delivery or collection.

6. TRANSFER OF TITLE

Neither the ownership of, nor property in any goods sold by us will pass from us until such time as we have received payment in full for such goods and any individual charges relating to such goods. Until such time we reserve the right to recover possession of the relevant goods. Nevertheless, all goods are at the risk of the customer as soon as they have been delivered or collected.

7. SIZES AND CUT LENGTHS

All goods sold and supplied by us are subject to a size tolerance of plus or minus 1.25% as specified in British Standard 3655, Clause 3. All goods should be inspected prior to cutting.

8. DELIVERY AND CARRIAGE

Whereas every effort is made to execute orders promptly, we cannot accept liability arising from delay. Our standard delivery schedule covers deliveries to customers' addresses within the areas detailed on page one of this Price List. Deliveries required outside our standard delivery schedule will be subject to carriage charge. We reserve the right to levy an extra charge to cover carriage for delivering goods under £25 in nett value (exclusive of VAT) within our delivery schedule or £20 for onsite delivery address.

9. CANCELLATION CHARGES

Unfortunately instances sometimes occur when an order has to be cancelled. If we are able to prevent the cutting of such an order, no cutting charge will be made, however, were orders have been cut we will operate the following scales: Each cut length of 3.00lin.m (9" 10") or under cancellation not accepted (Bathroom 1.50 lin.m) Each cut length of 3.05 lin.m and above 25% handling charge. (Bathroom carpet 1.55 lin.m) Orders held by us because of account problems will also be subject to the above charges if subsequent cancellation results. Goods placed on order as a special from a manufacturer can not be returned once cut.

10. CLAIMS AND RETURNS

No complaints can be entertained by us unless a copy of the invoice issued by us can be presented in respect of goods under complaint. No claim can be accepted arising from improper installation through non-compliance with manufacturers' recommended instructions of which details can be obtained from us, nor in any claim for faulty manufacture where goods have been cut. In any claim our liability (including liability for refitting) shall be limited to the extent of liability accepted by the manufacturer of the relevant goods and shall in all cases for goods to be limited to a value not exceeding the purchase price of the relevant goods. Returns and costs relating to all claims shall not be accepted until our prior approval has been given. We reserve the right to refuse returns of goods for credit ordered under customers' error, including duplication of orders where written orders are not marked as confirmation of prior instructions.

11. DAMAGE OR NON-DELIVERY

Damages must be notified to us in writing and the carriers where relevant within 3 days or non-delivery within 10 days of invoice date.

12. PILE PRESSURE, SHADING & MATCHING

All pile carpets, especially with plain grounds, are liable to shading or permanent shading (including 'water marking' and 'pile reversal') – i.e. to show light and dark patches arising from uneven crushing of the surface. Light and delicate carpets are liable to become noticeably soiled in wear and appear to lose colour. Carpets supplied cannot be guaranteed to match samples exactly.

None of these effects are considered by the carpet industry as defects in manufacture. No responsibility nor liability whatsoever will be accepted by us on complaints arising from these defects.

13. PATTERNS

Patterns whether loose or in book form supplied by us remain our property unless sold by us and paid for. Patterns supplied by us will be serviced by our representatives.

14. DISCOUNTED GOODS

Periodically goods may be offered at discount. These comprise remnant stock and sub-standard goods. No claim against or returns of such goods will be accepted by us for any reason whatsoever and all liability whether statutory or otherwise is excluded.
