## E) GENERAL INFORMATION

### TERMS & CONDITIONS OF BUSINESS

All business is conducted in accordance with the company's conditions of sale and placement of an order implies acceptance of our currently published terms. Please ensure that end users are advised of the company's conditions of sale prior to purchase. The full document, setting out our terms and conditions of business, is available to download from our website or sent upon request.

### CARPET CARE & MAINTENANCE

Please refer to our free carpet care and maintenance booklet (available online via our website), which contains useful information on the vacuum types best suited to our different carpet structures, the essential preventative measures that should be implemented alongside regular and occasional maintenance procedures and important guidance on spot cleaning.

### INSTALLATION

The best carpet installers are highly skilled, have great knowledge, will give excellent advice and take pride in their work. Always ensure your installer works to the national code of practice for carpet installation and selects the best materials and method of carpet laying for the individual project. We produce a comprehensive set of installation guidelines by product that can be downloaded from our website or sent upon request.
