2015 – THE DAWNING OF A NEW ERA!

As usual we thank our Customers for all the orders placed with us in 2014; it ended up a pretty fruitful year! We roll into 2015 with our team motivated and ready for the action to continue!

Unusually we look forward to a year with our sales being made up not just of our core carpet and carpet tile sales, but underpinned by a plethora of other products. Our Engineered wood package is literally flying out the door, and every day we sell laminate and LVT. The world is changing and so is Rackhams, but our strengths that you love – the people, the products, the lively banter and the way we treat our customers, will NEVER change!

LET’S GET GOING, IT’S 2015!

RACKHAMS GOLF DAY

It was way back In July when we held another successful Golf Day at The Manor of Groves Golf and Country Club in Sawbridgeworth. The weather as in previous years turned out perfectly, a scorching hot day with plenty of sunshine and more than sixty golfers attended and battled it out over twenty seven holes of golf.

The morning round saw a nine hole Team Texas Scramble won by Richard Mamby, Martin Jeffs, John Arnold and Steve Dowman with a nett team score of 28.15 points.

As temperatures soared the golfers headed out for the afternoon Individual and Team Stableford. The team prize was won by Danny Alp, Tim Hollands, Andy Bourner and Martin Jeffs, with Peter North scooping the overall prize with a Stableford score of 38 points.

Other prize winners over the day were Cornel Alexander Reynolds taking the Longest Drive, Bill Hendren, Nathan Lamb and Roger Aldridge all took a 'nearest the pin' prize and Lee Alexander, Gary Carmoody, Howard Hoskins and Terry Pettit managed to 'Beat the Pro'!

As the cool of the evening descended, the climax of the day was underway as over 100 golfers and guests crammed into the Manor Suite for the BBQ and the evening's entertainment. Having wine and dined, and with no formal entertainment planned, it was left to 'the oldest carpet fitter in the world' to take a turn. Keith Shenton aka 'Phil Osopher' made a touching tribute to the hosts in the form of a long ditty entitled 'The Rackhamended Way', which was followed by much merriment and dancing in the hotel bar. As the night continued, the day's champion, Peter North, upheld tradition by drinking a pint of ale from 'The Rackhams Trophy' and it was only complaints from other residents that finally brought the festivities to an end!

With another successful day wrapped up, the plans are already underway for the 2015 edition; so if you fancy an invite Start Spending!!!!

RACKHAMS OAKEN OPTIONS THE DAWNING OF A NEW ERA

Given our traditional background, a whole new product group is a rare departure for Rackhams, yet our entry into the 'engineered board' market has been both seamless and successful. Keeping our package simple with a concise collection of Rustic Oaks has found favour with our customers and the new sample boards proved an immediate hit. If you need a choice of Clic, T&G in a range of board widths up to 260mm you need to look no further than this fine collection.

RACKHAMS FISHING DAY

The main event... The Rackhams Fishing Day, August 21 2014, venue... Colmans Cottage Fishery. The day dawned and the weather was set fine. On arrival everyone was buzzing and many anglers were lapping the lake in eager anticipation of the day. After a hearty breakfast it was off to our chosen pegs, with IDC chomping at the bit to get his line in the water first. At 10am the hooter sounded and we were off! Within minutes fish were being caught all around the lake. My thoughts were, it's going to be a very close thing this year; fish were coming out 'one a bung' and, as you can see from the weights produced, I was right! I trust everyone had an enjoyable day. Please keep your orders coming and I'll see you on the bank next year!
