NOTES

Notes for section A)

- Prices delivered to UK.
- * Orders below 25 m² have a surcharge of 65,00 £ for transport costs.
- * Cut lengths under 2,5 linear meters have a surcharge of 30,00 £/piece.
- Roll price only applies to full roll shipments. Roll length can vary between 25-35 linear meters. Please consult exact rolls length in current stock.
- All rolls are produced in 4 meters width (+ 1,25% tolerance).
- Where a full roll is purchased but the overall quantity is requested to be supplied in cut lengths, a cutting/wrapping surcharge of 15,00 €/cut will apply.
- Reservations will be held for a maximum of 2 working days.
- Discontinued qualities will be available until end of stocks.
- Custom colours in any quality except annabelle and zenit: minimum 200 m².

Notes for section C)

- The price structure of the Weave Concepts programme applies to custom woven patterns using the Carla, Gala or Lara standard colour combinations at 4,00m width (+ 1,25% tolerance).
- It is recommended to check estimated delivery date prior to order. These orders are woven in conjunction with stock orders and not individually, which could cause longer production cycles.
- A design fee may apply for complex designs.

G) GENERAL INFORMATION

TERMS & CONDITIONS OF BUSINESS

All business is conducted in accordance with the company's conditions of sale and placement of an order implies acceptance of our currently published terms. Please ensure that end users are advised of the company's conditions of sale prior to purchase. The full document, setting out our terms and conditions of business, is available to download from our website or sent upon request.

CARPET CARE & MAINTENANCE

Please refer to our free carpet care and maintenance booklet (available online via our website), which contains useful information on the vacuum types best suited to our different carpet structures, the essential preventative measures that should be implemented alongside regular and occasional maintenance procedures and important guidance on spot cleaning.

INSTALLATION

The best carpet installers are highly skilled, have great knowledge, will give excellent advice and take pride in their work. Always ensure your installer works to the national code of practice for carpet installation and selects the best materials and method of carpet laying for the individual project. We produce a comprehensive set of installation guidelines by product that can be downloaded from our website or sent upon request.
