NOTES

Notes for section A)

Prices delivered to UK

Important information for full roll orders:

- Roll price only applies to full roll shipments. Stock roll lengths can vary between 25-35 lineal meters. Please consult exact rolls length in current stock.
- Where a full roll is purchased but the overall quantity is requested to be supplied in cut lengths, a cutting/wrapping surcharge of £15,00/cut will apply.

Important information for cut length orders:

- All orders below 25 m² have a surcharge of £75,00 for transport costs.
- Cut lengths under 2,5 linear meters have an additional surcharge of £35,00/piece.
- Orders at 2 meters wide will be accepted up to 7,5 lineal meters. For orders beyond 7,5 lm at 2 meters wide, please ask for availability & specific budget.
- Cuts in circular shape at 8 £/cut. In case a finishing is needed we don't recommend Panama in these cases. For other special shapes please ask for specific budget.

(1) This price includes the finishing with borders made of the same material

NOTES

Notes for section B)

- Prices for borders to be calculated with the perimeter of the requested rug.
- Prices for borders apply for any border style except Double Border Style. In this case, the sum of the 2 selected borders will apply.
- Prices for finishings apply for standard shapes, rectangular or squared. For special shapes, ask for specific budget.

(1) Dobilux has a necessary wastage of c. 6 cm both in lenght and width.

Eg. A bespoke rug with a desired size of 200 cm x 250 cm would need 206 cm x 256 cm

All business is conducted in accordance with Moquetas Rols terms and conditions of sale and placement of an order implies acceptance of our currently published terms and conditions. Please ensure that end users are advised of Moquetas Rols terms and conditions of sale prior to purchase. The full document, setting out our terms and conditions of business, is available from our website or can be sent upon request.

I. PRICELIST GENERAL INFORMATION

- 1.1 This price list is effective from February 1st, 2021. All previous price lists are now cancelled and are no longer valid.
- 1.2 Prices are quoted in UK £'s Sterling.
- 1.3 Prices contained in this price list are exclusive to professional operators engaged in the flooring trade
- 1.4 All prices quoted are subject to UK VAT.
- 1.5 Moquetas Rols reserves the rights to amend or to update this price list without prior notification.

2. SIZES AND TOLERANCES

- 2.1 All stock carpets are supplied subject to a tolerance of +/-1.25% in both length and width (BS3655). These tolerances must be considered by the customer prior to placement of an order.
- 2.2 Where specific sizes or roll lengths are requested for non-stocked items (custom made), in either roll goods or area rugs, a tolerance of up to 5% in specific dimensions must be accepted. These tolerances must be considered by the customer prior to placement of an order.
- 2.3 All carpets are manufactured to recognised industry standard tolerances and are tested independently. Full product specification details are available upon request.
- 2.4 Where project specific test data is requested by a customer that is outside our standard test procedures, we reserve the right to charge the applicable testing costs back to the customer in full.

3. SAMPLES

- 3.1 All sampling, literature and merchandising provided to customers remains the property of Moquetas Rols, unless paid in full by the customer.
- 3.2 Sampling is provided on the basis that it is used exclusively for the promotion of Moquetas Rols products and services and should not be shared with competitor businesses.
- 3.3. Samples should be stored correctly so as to avoid natural light fade of the pile yarns.
- 3.4 Each sample is a guide to the colour and texture of the carpet, however it is understood that variances may exist in colour and texture between a sample and the actual carpet. Where a specific match to a sample is required, we strongly recommend that a stock cutting is requested before ordering.
- 3.5 Unless a sample cutting is specifically requested for approval from current stock, it should be understood that all other forms of samples provided to customers may not be from the current stock batch.

4. STOCK ORDERING AND RESERVATIONS

- 4.1 Customer stock reservations will be valid for 2 working days. Reservations automatically expire after this period. Where a reservation expires, it is the responsibility of the customer to make a new reservation, although Moquetas Rols are unable to guarantee continuous stock availability.
- 4.2 Customer orders must be confirmed in writing and in turn will be acknowledged in writing by Moquetas Rols by email.
- 4.3 Once a customer order is acknowledged by Moquetas Rols, we are unable to accept subsequent cancellation of the order.

5. BESPOKE RUGS

- 5.1 Where a customer requests a special/custom shape, size or finish of bespoke rug, Moquetas Rols reserves the right to charge additional costs for the work required. A cost estimate will be provided on all special/custom rugs.
- 5.2 For all special shapes/custom shapes, including but not limited to, circular, oval and ellipse shapes, Moquetas Rols requires the customer to provide a full size template, which will need to be sent to the factory by the customer.
- 5.3 Please note that tolerances in dimensions and pattern alignment should be considered on all bespoke sized rugs.

6. TRANSPORT AND DELIVERY (UK Mainland addresses only)

- 6.1 Except for quantities below 25m², where tiered transport surcharges as published will be applied, the unit prices quoted includes delivery to a UK mainland manned trade address, based on our standard delivery service.
- 6.2 Delivery is made using a driver only vehicle to the ground floor access point of the specified delivery address. Where access is difficult for large vehicles, we must be advised in advance to avoid delays and imposition of re-delivery charges.
- 6.3 Our UK logistics partner will usually advise the final delivery date directly to our customer upon receipt of the goods into their UK depot. Smaller pieces (under 2.35m maximum length dimension with weight of less than 30 kgs) can be sent via courier; we will provide the customer with tracking information to allow for monitoring of delivery timings on courier deliveries. Whilst we make every effort to provide accurate delivery information, Moquetas Rols or their logistics partners cannot be held liable for delays to delivery schedules, how so ever caused.
- 6.4 Non standard deliveries, such as, but not limited to, dedicated express vehicle services, timed deliveries, construction site direct or deliveries to private addresses are available on specific request, subject to an additional charge.

6.5 At the point of delivery, risk for the safe care of the goods passes from Moquetas Rols to the customer (title of goods is not transferred at this point, unless full payment has been received). Before accepting a delivery, it is important that the external packaging of the carpets is carefully inspected for transport damage. Where there is visible transport damage, the delivery note must be endorsed with a clear reference to record such damage and where possible photos should be taken to support any claim. In addition and in order to validate any claim for transport damage, the customer must advise Moquetas Rols of any such claim within 1 working day from receipt. Once this period has elapsed, we are unable to accept complaints for transport damage.

6.6. In the case of goods damaged in transport, failure to correctly endorse the delivery note to notify potential damage will invalidate any claim. Where it is not possible to inspect the goods immediately upon receipt to assess any damage, please endorse the delivery note "Unchecked and pending inspection", accompanied by a date and time.

6.7 Moquetas Rols are unable to accept the return of goods or provide replacement if points 6.5 and 6.6 have not been followed

7. DESPATCH AND DELIVERY SCHEDULES (UK Mainland addresses only)

7.1 Delivery lead times are quoted as a guide and in good faith at the time of either customer enquiry or order, but it should be understood they are subject to change due to a variety of factors.

7.2 Whilst we endeavour to provide accurate information on despatch and onward delivery schedules, until final inspection of a carpet or rug is completed during the 24 hours prior to despatch, all schedules given are subject to change.

7.3 Goods are shipped to the UK market via a weekly despatch using road freight, which usually departs the factory on a Friday, except in weeks around bank and public holidays where it is subject to change. Where stock is available for immediate despatch, credit account customers have until 15.00 hours (UK time) on the Tuesday before vehicle departure to confirm their order for despatch on the Friday departure.

7.4 As a guide, delivery lead times from ex-factory despatch for UK mainland customers are 7-14 working days, depending on final delivery location.

8. COMPLAINTS AND RETURNS

8.1 Upon receipt of the goods, and prior to cutting or installation, it is important that each piece supplied are inspected by the customer, to ensure what has been supplied is as expected and is free from visible defects. Moquetas Rols recommends the carpet is fully unrolled to complete the inspection. This inspection process must be completed within 10 working days from receipt of the goods at the appointed delivery address.

8.2 Where a customer has reason to believe that the goods supplied do not conform to the carpet as ordered, or the material contains visible defects, Moquetas Rols must be advised in writing by the customer, either by way of email or letter, indicating the client order number and date of receipt. In acknowledgement, Moquetas Rols will confirm receipt of the complaint and make arrangements to view the materials so as to verify or reject the customer complaint.

8.3 No complaint can be either verified or rejected until inspection by Moquetas Rols has been completed.

8.4 No complaint will be accepted where goods have been cut prior to the complaint being viewed by Moquetas Rols.

8.5 In the event that incorrect or defective goods are installed without prior inspection, Moquetas Rols will under no circumstances accept claims for installation/re-installation costs, loss of profit or wasted time.

8.6 Where goods have been supplied by Moquetas Rols, which are subsequently adapted by the customer, such as, but not limited to, the application of taped edges to runners or area rugs, the application of chemical treatments to the carpet pile, Moquetas Rols will accept no liability for these costs, even in the event that goods are found to be defective.

8.7 The liability of Moquetas Rols in the event of a claim, cannot exceed the value of the goods supplied.

8.8 Where it is accepted by Moquetas Rols that the goods supplied are incorrect compared to the ordered material or defective, Moquetas Rols will arrange for collection and return of pieces for collection and return of pieces at their own cost. The customer must ensure that goods for return are rolled onto a central heavy duty carpet pole/core and wrapped with heavy gauge waterproof packing to ensure the goods are not damaged on or during return.

8.9 Where a customer requests to return first grade goods to Moquetas Rols, a restocking charge of 33% plus return transport costs will be charged to the customer account. Any credit or refund due to the customer, will not be processed until the returned goods are re-stocked at the factory and accepted as a first grade return. We are unable to accept the re-stocking of first grade pieces less than 25m².

8.10 Where specific independent tests or site inspections are required to establish a claim for a defective carpet supplied by Moquetas Rols, it is agreed that costs of investigating such a claim will be paid in full by the customer where the claim is unsubstantiated.

9. INSTALLATION

9.1 All installation must be carried out in accordance with BS5325: 2001 – Installation of Textile Floorcoverings: Code of practice own production facilities.

9.2 We are unable to accept complaints or claims on products supplied where the carpet is not installed in accordance with BS5325: 2001

10. WARRANTY

10.1 Moquetas Rols warrants that their products are manufactured to industry recognised standards.

10.2 Moquetas Rols is unable to give a specific assurances as to the longevity of use of their carpets within different locations. All Moquetas Rols products are tested and graded for different intensities of use and the customer must ensure the carpet selected is compatible with the intended use.

10.3 The product must be installed in accordance with BS5325:2001

10.4 Where, after post installation inspection, a product is accepted by Moquetas Rols as defective or incorrect, within the first 12 months following delivery, the carpet will be replaced like for like by Moquetas Rols at no charge to the customer. In these circumstances, Moquetas Rols are unable to offer either a monetary refund or credit note unless the product we have agreed to replace is no longer a stocked item.

10.5 Where the customer proceeds with the cutting and installation of a carpet containing clearly visible defects, any claim against Moquetas Rols for the costs of a like for like or substitute replacement will be invalidated.

11. PAYMENTS

11.1 Credit account facilities are only available to customers where we are able to obtain an insured credit limit against their business. Where we are unable to obtain an insured credit limit, or the insured line of credit we can obtain is insufficient to cover the value of a transaction, we will request advanced payment prior to despatch of an order.

11.2 Where credit account facilities are extended to a customer, these can be withdrawn without prior notice where credit insurance is cancelled or reduced.

11.3 Where goods are supplied and invoiced on credit account, our payment terms are net 45 days from invoice date.

11.4 We are only able to accept payment by bank transfer (BACS or CHAPS). We are unable to accept other methods of payment.
