

THOMAS WITTER
CREATORS OF FINE CARPETS

1st August 2016

Dear customer

Please find our new price list which comes into effect on the 1st September.

As you are aware Brexit has had a significant impact on the value of sterling and unfortunately our suppliers have increased prices. We have been working very closely with them to minimise the impact of these however we have no alternative other than to pass a proportion onto our customers.

Regrettably the increases are unavoidable however I can assure you that we have absorbed as much as possible in order to keep them to an absolute minimum. We very much value your business and would appreciate your continued support through this difficult period.

Kind regards

Robbie Thomson
