FLOORING EXCELLENCE

6th March 2020

Dear account holder,

New Price List Effective From 6th April 2020

Westex are publishing our new price list which is effective from 6th April 2020. In common with most other businesses we have experienced increased costs over the past year. Through our continued commitment to forward contracting we have avoided significant cost increases and our current pricing has remained unchanged for over 12 months. However, we are now obliged to implement a small increase of 1.25% on all carpet products, whilst LVT prices remain unchanged.

These prices will be held for a minimum period of six months and we guarantee you the same great Westex products and service

Kind Regards
