August 2014

Dear Customer

**WESTEX CARPETS LIMITED
PRICE INCREASE EFFECTIVE 01 SEPTEMBER 2014**

Please be advised that there will be a price increase of 2.9% for all orders received by Westex Carpets Limited on or after 01 September 2014.

Whilst prices of most raw materials used in the production of high quality wool rich carpets have increased significantly we have kept our price increase to a minimum and can confirm that:

this price increase is our first since 01 September 2013

we guarantee that prices will not increase again until at least 01 September 2015

We believe that giving a 12 month period of price stability is the best way to make sure that you can have confidence that you will not be affected by any unexpected price increase.

Your gross prices for orders placed on or after 01 September 2014 are detailed on the enclosed price list.

Other forthcoming changes to the Westex ranges include:

with effect from 1st September 2014 we will be discontinuing Ascot/Windsor Saxony, we will be launching new products in the near future.

in January 2015 we will be refreshing our best-selling Ultima Twist range with the addition of 15 new colours.

We would like to thank you for all your past support and hope that we can look forward to a continued growth in our mutual business.

Yours faithfully

Mark Vale
