Conditions & Terms of Sale

In the absence of any specific agreement to the contrary all goods are sold subject to AW Europe Ltd. standard terms and conditions of sale which are available on our website.

The company reserves the right to change the specification of any quality subject to availability of raw material.

SETTLEMENT DISCOUNT

Settlement discount of 2½ % is allowed on the net purchase price, exclusive of tax, provided payment is made by the 20th of the month following date of invoice.

COLOUR & PATTERN MATCHING QUALITIES

Due to method of manufacture, a pattern match cannot be provided. Where colour matching is required we will make every reasonable effort to colour match varying widths but cannot guarantee an exact colour match nor can we accept any liability howsoever arising from such non colour matching.

DELIVERY

Where as every endeavour is made to execute orders promptly, the company can accept no liability for delays.

CANCELLATIONS

- (a) Subject to clauses (a) and (b) and the Supplier providing the Customer with a cancellation reference number, the Customer may cancel an Order.
- (b) An Order cannot be cancelled once the Goods have been dispatched from the Supplier's premises.
- (c) If the Customer fails to provide a cancellation reference number or attempts to cancel an Order after it has been dispatched from the Supplier's premises, the Supplier shall apply a handling charge equal to 50% of the price for the Order and 100% of any VAT, tax, insurance or transportation costs.

Cancellation of an order will not be accepted without a cancellation reference number or if the carpet has been dispatched from our factory/warehouse. Failure to meet these requirements will incur a 50% handling charge.

SHRINKAGE

We will not accept any responsibility for shrinkage of carpets which have not been secured to the floor.
All carpets fitted on a contract location must be stuck down all over.

PILE PRESSURE AND SHADING

Cut pile carpets, especially plain colours may show shading or light or dark patches due to unequal pressure on the pile. It is not a fault and the company cannot accept responsibility for such 'shading'. Soiling is not a manufacturing defect and cannot be accepted as such.

PASSING OF PROPERTY

- (a) The risk in the Goods shall pass to the Customer on completion of delivery.
- (b) Title to the Goods shall not pass to the Customer until the Supplier receives payment in full (in cash or cleared funds) for the Goods and any other goods that the Supplier has supplied to the Customer, in which case title to the Goods shall pass at the time of payment of all such sums.
- (c) Pursuant to clause (b), until title to the Goods has passed to the Customer, the Customer may resell or use the Goods in

the ordinary course of its business (but not otherwise), provided that any such resale is made as principal and not as the Supplier's agent.

- (d) Until title to the Goods has passed to the Customer, the Customer shall:
 - (i) store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as the Supplier's property;
 - (ii) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;
 - (iii) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery;
 - (iv) give the Supplier such information as the Supplier may reasonably require from time to time relating to:
 - the Goods; and
 - the ongoing financial position of the Customer.
- (e) At any time before title to the Goods passes to the Customer, the Supplier may require the Customer to deliver up all Goods in its possession that have not been resold, or irrevocably incorporated into another product and if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.
