# Artificial Grass Installation

## Requirements for laying artificial grass

- Artificial grass
- Geo-Textile: stabilises the surface underneath the artificial grass
- Glue for artificial grass: for glueing the joins in the artificial grass
- Glue spreader: to spread the glue evenly
- Grass seaming tape: for quick and easy glueing of joins in the artificial grass
- Stanley knife: for cutting the artificial grass to the exact size
- Ties for artificial grass: to fasten the artificial grass more securely
- Silica sand: sanding down the artificial grass down provides added stability for the mat and extra protection for the artificial grass fibres.
- Brush or broom: for brushing the artificial grass straight

## Instructions for installing artificial grass

Before laying the artificial grass always make a plan to ensure you are aware of where any joins maybe and how much artificial grass you will actually need.

Remove any old grass, level the surface and spread a substantial layer of building sand across the surface (5 to 6 cm).

Compact this layer of sand properly and sprinkle with water.

Level the sand so that you are left with a nice even surface

Roll the geo-textile out and cut to size.

Roll out the artificial grass, making sure to even out any creases. The pile should point towards the spot from where you are most likely to view the grass.

Check the artificial grass for any production defects.

For surfaces that exceed more than 4 m you will have a join. If this is not the case, go to \*

If the temperature drops, it's possible the artificial grass will shrink. The artificial grass may contract if it is laid during the day when temperatures are between 20 to 25°C and it cools to 17°C in the evening. We would advise when you lay the artificial grass so that you leave 2 to 3 centimetres extra in length.

If you do need to make a join, pull back the artificial grass and make a join

between the two rolls with a Stanley knife. The black backing to which the artificial grass fibres are attached will protrude a little on both sides. These sides must be cut away.

Roll out the next strip of artificial grass and repeat the same process as for the first strip of artificial grass. Lay both pieces together and check that they are properly aligned and no join can be seen (the width of the join between the two strips should be no more than 4 mm).

Pull back both pieces and apply the artificial grass seaming tape or the adhesive tape directly under the join.

Lay both pieces of artificial grass together again and carefully apply pressure to the glue with your hands on the backing of the artificial grass.

Repeat the steps above until all the artificial grass is in place.

\* Cut the edges to the required shape/outline.

To enhance the wear and appearance of your grass we recommend you to spread silica sand onto the artificial grass (5kg per m<sup>2</sup>).

Remove all the left-over pieces and brush the artificial grass with a brush or broom.

\*Coverage may vary depending on application, please refer to the product data sheet.

# Terms and Conditions

The following are extracted from the Standard Terms and Conditions of Sale of HFD Limited (the "Seller").

A full copy of these Conditions is available on request.

## 1. Terms of Payment

- 1.1 The Seller shall invoice the Buyer for the goods immediately following delivery.
- 1.2 If the Buyer fails to pay on the due date, the Seller shall be entitled to:
  - 1.2.1 the immediate payment of all outstanding payments on the Goods or any other goods, services or works under any contract even if payment is not due and irrespective of any credit facilities;
  - 1.2.2 charge the Buyer interest at the rate of 2.5% per month on unpaid amounts until payment is made (a part of a month being treated as a full month for the purposes of calculating interest); and
  - 1.2.3 charge the Buyer the cost of recovery of any unpaid amount including any legal costs, disbursements and bank charges incurred.

## 2. Risk and Property

- 2.1 Risk of damage to or loss of the Goods shall pass to the Buyer on delivery. The property in the Goods shall not pass to the Buyer until the Seller has received in cash or cleared funds payment in full for the Goods and all other goods for which payment is due.
- 2.2 Until the property in the Goods passes to the Buyer the Seller shall be entitled to require the Buyer to deliver up the Goods to the Seller and if the Buyer fails to do so, to enter upon any premises of the Buyer or any third party where the Goods are stored and repossess the Goods.
- 2.3 Until property in the Goods passes to the Buyer, the Buyer shall keep the Goods separate from those of the Buyer and any third party and properly stored, protected, insured and identified as the Seller's property. If the Buyer sells the Goods before the Property has passed to the Buyer, the Buyer will account to the Seller for the proceeds of any such sale.
- 2.4 The Buyer shall not be entitled to pledge or in any way charge any of the Goods which remain the property of the Seller but if it does so all monies owing by the Buyer to the Seller shall forthwith become due and payable.
- 2.5 Where the Seller is unable to determine whether any goods are the Goods, the Buyer shall be deemed to have sold, re-sold or otherwise dealt with all goods of the kind sold by the Seller in the order in which they were involved to the Buyer.

## 3. Insolvency of Buyer

- 3.1 This clause applies if:
  - (i) the Buyer makes any voluntary arrangement with its creditors or (being an individual or firm) becomes bankrupt or (being a company) becomes subject to an administration order or goes into liquidation (otherwise than for the purposes of amalgamation or reconstruction); or
  - (ii) an encumbrancer takes possession, or a receiver is appointed, of any of the property or assets of the Buyer; or
  - (iii) the Buyer ceases, or threatens to cease, to carry on business; or
  - (iv) the Seller reasonably apprehends that any of the events mentioned above is about to occur in relation to the Buyer and notifies the Buyer accordingly.
- 3.2 If this clause applies then, without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to cancel the Contract or suspend any further deliveries under the Contract without any liability to the Buyer, and if the Goods have been delivered but not paid for the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.
4. Cut lengths will be rounded up to the nearest 5cm (0.05m)
5. A cancellation will only be accepted when it will not cause loss or cost to this Company, and only when the cancellation is registered and a reference number is obtained from us. Cancellations will not be accepted for special orders.
6. Where goods are damaged in transit, the carrier's note should be endorsed accordingly and the Company notified in writing within 7 days. Claims will not be accepted otherwise.
7. The Company must be notified in writing if goods are not received within 10 days of invoice. Claims will not be accepted otherwise.
8. The Company must be notified in writing within 14 days of collection if returns are not credited within 10 days of collection. Claims will not be accepted otherwise.
9. No return for credit will be accepted unless a collection note has been issued by the Sales Department.
10. Claims for manufacturing faults will not be accepted after goods have been cut. Carpets should, therefore, be inspected prior to fitting.
11. Whilst every effort is made to colour/pattern match varying rolls/widths, we, in common with all suppliers, will not guarantee exact colour/pattern match.
- 12a. Liability will in all cases be limited to the value of goods supplied.
- 12b. Claims for lost time / fitters time or other, consequential losses will not be accepted.
13. When imperfect or discontinued goods are sold at a discount, guarantees will not apply.
14. The seller may provide delivery dates for items which, at point of order are not in stock. These dates are given in good faith and the seller cannot be held liable should the goods so ordered not arrive in from the manufacturer on the date advised.
15. We will not accept any responsibility for shrinkage of carpets which have not been secured to the floor.
16. No claims will be accepted in respect of any shortages which are within the normal manufacturing tolerances of 1.25% in respect of length and width.
17. Changes in carpet appearance, such as occur from staining, soiling, fading, pilling or flattening (eg matting or crushing) of a carpet pile are not included within any carpet guarantee.
18. If an order is received by telephone and is followed by a written order, this written order will be regarded as a separate order unless marked 'Confirmation'.
19. All carpets must be inspected prior to cutting or fitting to ensure that the correct pattern and quality have been received.
20. The Company will use its best endeavours to pass on the buyer benefit of any guarantee of the goods given by the manufacturer but the Company shall be under no liability to the buyer whatsoever for any defect in the goods or for any loss caused by the goods.
21. It is the responsibility of the claimant of any bonds/vouchers to notify the inland revenue where appropriate. All claims must be made within 90 days of completion of schemes. No claims will be accepted thereafter.
22. Specific delivery times including site deliveries cannot be guaranteed.
23. Any roll booked in for delivery and agreed then subsequently refused will be subject to a £10.00 refusal charge.
