TERMS AND CONDITIONS OF SALE

PRICES QUOTED ARE APPLICABLE UNTIL FURTHER NOTICE.

Prices may be changed without prior notice, details of any changes will be given upon request until a new price list is published.

1. GENERAL

- These terms and conditions ("Terms and Conditions") apply to the contract for the supply of goods and/or services by us, F. Ball and Co. Ltd, to you the customer and as amended from time to time in accordance with clause 1(f) below ("the Contract"). These Terms and Conditions apply to the Contract to the exclusion of any other terms that you seek to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- The Contract constitutes the entire agreement between you and us. You acknowledge that you have not relied on any statement, promise or representation made or given by or on behalf of us which is not set out in the Contract.
- Any samples, drawings, descriptive matter or advertising issued by us and any descriptions of goods or illustrations or descriptions of services contained in any of our catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the goods and/or services described in them. Except as expressly referred to otherwise in these Terms and Conditions, they shall not form part of the Contract or have any contractual force.
- If a court or any other competent authority finds that any provision of the Contract (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed deleted, and the validity and enforceability of the other provisions of the Contract shall not be affected. If any invalid, unenforceable or illegal provision of the Contract would be valid, enforceable and legal if some part of it were deleted, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.
- In these Terms and Conditions a reference to writing includes faxes and e-mails.
- Except as set out in these Terms and Conditions, any variation, including the introduction of any additional terms and conditions, to the Contract shall only be binding when agreed in writing by us and confirmed to you.
- Any person, company or other entity who is not a party to the Contract shall not have any rights under or in connection with it.

2. CANCELLATION OF ORDERS

Any order accepted by us from you may not be cancelled by you without our prior written consent and in the event of our giving such consent, we reserve the right to charge a reasonable cancellation fee as a condition thereof.

3. RETURNING GOODS

- After delivery of goods supplied in accordance with this Contract whether to your premises or elsewhere, goods may not be returned to us without our prior written consent, the granting of which is in our absolute discretion.
- In the event of our giving any consent under clause 3(a), credit will only be given to you conditional on the goods being resalable by us and also all costs incurred in collecting and restoring them to their original condition will be deducted from any such credit. In the event that any of the goods are not resalable any credit given will be withdrawn and you shall remain liable for the price of them to us under this Contract and we shall also be entitled to charge you the full cost of their disposal.

4. PRICE AND PAYMENT

- The price for goods under the Contract will be our list price, including any price changes to them, applying as at the date of delivery of them (whether or not any updated price list has been published at that time by us).
- Our prices exclude VAT where applicable and all other taxes or duties whatsoever and unless agreed otherwise in writing are exclusive of costs of carriage, insurance and packaging, the costs of which will be notified to you on or following acceptance of your order and shall be payable by you together with the goods and/or services.
- Payment of our invoices shall be made strictly in accordance with our normal terms of trading, which include a discount of 3% on the price of goods supplied where full settlement of the whole invoice is received by us within 14 days of the date of the invoice. Thereafter all invoices are payable at the invoiced amounts in full and are due for payment by the 20th day of the month following the date of the invoice, after which date all invoices are overdue.
- Payment of all amounts under this Contract shall be made without any deduction or withholding (except as required by law) and you shall not be entitled to assert or claim any credit, set-off, discount (save where applicable under clause 4(c)) or counterclaim against any invoice amounts due to us (whether in whole or in part). If any such payment is not made on its due date or if you are in default under any provisions of this or any other contract with us, we reserve the right to suspend delivery or performance of this and/or any other contract with you containing a similar provision to this, without any liability to you whilst such a default continues and without prejudice to any other rights or remedies we may have.
- In addition to and without prejudice to any other rights or remedies we may have, we shall have the right to charge interest on all overdue amounts under this Contract at the rate of 4% per annum above the base rate of the HSBC Bank plc for the time being accruing on a daily basis (or where applicable any higher rate being available to us under law) whether before or after any judgment, on the amount due from that date until the date of the payment in full. You shall also be liable to pay and reimburse to us all legal and other costs on an indemnity basis, which are incurred by us in recovering any amounts owing by you and also in recovering any goods from you in which title has been retained by us, and all such costs shall be due for payment by you to us immediately on demand.

- In the event of shortage or non delivery of goods to you notification must be made by you to us in writing as follows:
 - within three days of delivery for any goods which have been received damaged or have been short delivered.
 - within fourteen days of the date of the invoice for loss or non delivery of the whole of the consignment.
