VELVET DREAMS

**DREAMS
CAN COME
TRUE**

SINK INTO SOFTNESS

Velvet Dreams is our luxurious carpet collection designed to bring a **touch of indulgence** to everyday living.

This isn't just a carpet—it's an **experience**. With a rich, velvety texture and a depth of colour that adds instant elegance, Velvet Dreams is made to impress.

Manufactured in the UK from **100% premium polyester yarn**, this heavyweight Saxony carpet is built to last. The densely twisted fibers create a beautifully thick, plush pile that feels like **velvet underfoot**, perfect for creating cosy, inviting spaces that still handle the hustle and bustle of busy family life.

Velvet Dreams doesn't just look good—it **works hard**, too. It's **fully bleach-cleanable**, making it a practical choice for homes where spills and mess are just part of everyday life. Whether it's muddy footprints or accidental spills, you'll have peace of mind knowing clean-up is quick and easy.

Available in a range of timeless, sophisticated colours, this carpet fits effortlessly into any interior style—from modern minimalism to classic comfort. And with three width options to choose from, it's easy to find the perfect fit for your space.

What really sets Velvet Dreams apart is the comfort. Thanks to its **soft fleece backing**, it feels as good as it looks—and makes installation a breeze. Plus, with an impressive **15-year wear warranty**, you can be confident that it's a long-term investment in both style and durability.

So whether you've got a bedroom project for a luxurious upgrade or making a living room feel more inviting, Velvet Dreams offers the perfect blend of **softness, strength, and sophistication**.
