# EULAN<sup>®</sup> SPA 01

**EULAN<sup>®</sup> SPA 01 IS A MOTH- AND BEETLE PROOFING AGENT FOR THE TREATMENT OF WOOL, WOOL BLENDS, FEATHERS AND ANIMAL HAIRS.**

Moths and beetles can rapidly cause unrepairable damage to carpets and other textiles, as is shown in the following table.

Damage caused by descendents of one female clothes moth in one year	
Constant temperature of 20°C	App. 30 kg wool destroyed
Constant temperature of 30°C	150-180 kg

## PROPERTIES OF EULAN<sup>®</sup> SPA 01

- \* Highly effective against *Tineola/Tinea* (moths), *Arthropus* (carpet beetles), *Attagenus* (for beetles) and *Hofmannophila* Ps. (false clothes moth).
- \* Wool treated with **EULAN<sup>®</sup> SPA 01** as instructed in the guide recipe meets the requirements set by the Woolmark Company, GuT and Wools of New Zealand (except in Australia).
- \* High fastness to washing and dry cleaning.
- \* Good bath exhaustion.
- \* Low affinity for polyamide in blends with wool.
- \* Good heat stability.
- \* Can be eliminated in waste water treatment plants.

## OEKO-TEX STANDARD 100

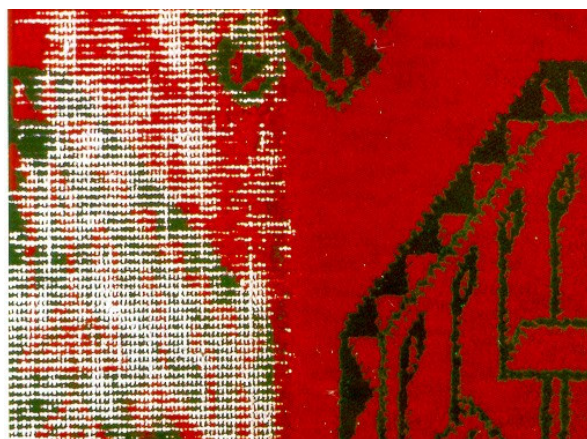

**EULAN<sup>®</sup> SPA 01** meets all regulations of Oeko-tex Standard 100. This certification system provides consumers against harmful substances in textiles. Test criteria include legally banned or regulated substances and chemicals that are harmful to human health.

## TESTING

**EULAN<sup>®</sup> SPA 01** has been extensively tested. The effectiveness is undoubtedly shown in the subsequent photo.

*Untreated part of the carpet*

*Treated part with EULAN<sup>®</sup> SPA 01*

## EFFECT LABEL EULAN<sup>®</sup> SPA 01

To communicate the use of **EULAN<sup>®</sup> SPA 01** in your textiles, TANATEX Chemicals can provide Effect Labels to attach to your products.
