

# **Synthetic Ranges Guide**

## **Thank you for your interest in Mr. Carpet.**

The following images are our most popular ranges in the category you've requested. These photos are the easiest way we can send you a selection of products for you to view.

When you have selected up to 4 free samples, please email or telephone the branch you have been in contact with and they will arrange for sample cuttings to be sent to your home to confirm your colour selection and arrange for an estimator to call and carry out a site survey.

While our showrooms are closed we are monitoring branch emails and landlines from home. Emails & Lines are monitored Monday – Friday 9am – 5pm, but as we have a skeleton staff working please be patient and allow extra time for a response. We will reply as soon as possible.

If you wish to order a carpet, we have estimators working and we are still able to arrange an estimator to call to your home and estimate for new carpets. Please contact one of the above branches to arrange an estimate. Many suppliers are still delivering but some delivery times are extended. We do have over 20,000 m<sup>2</sup> of carpets in our warehouse available for delivery.

**Please observe social distancing during any site visits at all times.**
