 Sheet: 1 of 2

Caribbean (ENVY 162/pe)
Col. CAR 55 (ES176)

Cut Plan 475 x 400
 = 19M²

MIKE

* Fit these 7 steps first
 & then match the upper merz
 landing to the stairs & then
 match the top land + 2 steps down
 to the upper merz landing.
 lastly fit the extra step on the
 Run of 8 & match the 3 windows
 as best as possible to make them
 look like they follow round.

* Call me if you are unsure
 before fitting anything as there
 is no more of this carpet
 available
