NAPLES
Col NAP-505

Cut Plan 330x400
= 13.20m²

* Cut straight runners @ W/H to exactly 62cm wide

edging = 32.60
Lin metres

** Shape 4 Winders + 2 Risers on site to maintain an equal 10cm gap at the sides of the Winders so they match the straight stairs.

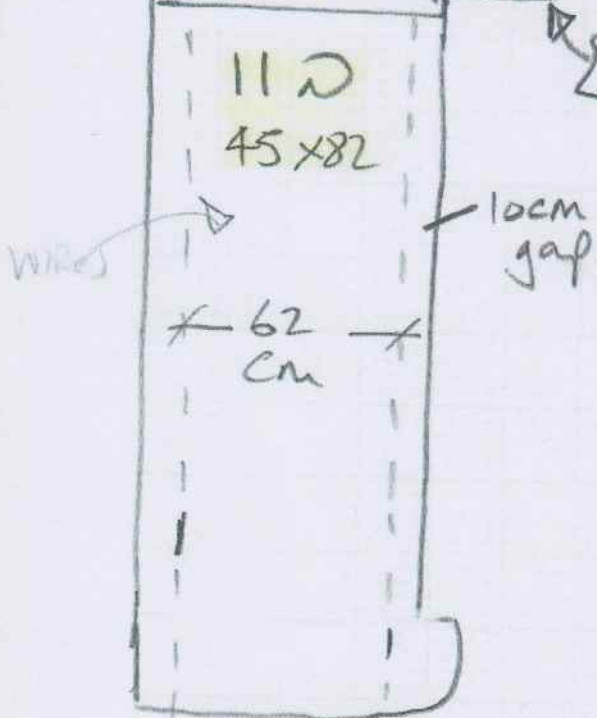

Customer to have all existing alarm wires removed before the installation.
