

R17671 – Sheridan Construction
Tanner House - Fitting Instructions for Common Parts

Site Forman – Nicky Bone

Important Read these instructions BEFORE LEAVING WAREHOUSE and going to site

UNDER FLOOR HEATING TO ALL AREAS

Fitting instructions

Carpet tiles to communal Hall, Stairs & Landings with nosings to stairs

- Ribbed matting to entrance see plan for size
- Fit nosings to stairs & carpet tiles to treads only using F3 Adhesive
- **Use F41 Tackifier to ALL corridors except over manholes** in case tiles need lifting later.
- Possibly fitting in stages stage 1 corridor outside flats 5 – 10 only

Take large tub of F41 and return tube after each visit. Also return to warehouse ALL tiles over from stages and hand back to Charlie

DO NOT LEAVE ANY MATERIALS ON SITE AFTER COMPLETION – LEAVE ALL AREAS TIDY ON COMPLETION.
